| 194 | <u>Devon County Council</u> - Councillor Ball advised that his apologies for the previous meeting had been missed from the minutes. A full report had previously been circulated, some points of which were reiterated: <ul style="list-style-type: none"> • Business Park – one company had pulled out, another window for expressions of interest would open shortly. • Parkway Station – plans for a Dartmoor Rail shuttle are untrue. GWR will decide the timetable and where the train stops; ie the Parkway or the existing station. • A meeting with Hazel Fox had taken place regarding parking at the rear of the primary school. The issue had been exacerbated by the work at the Rugby Club; the carpark had now been restored. Plans were in place to add double yellow lines to the road to aid traffic enforcement. • Otter Project – Otters are being returned, auction results will be feedback in due course, the costs of the project had already been covered. | | |

Councillor Ireland advised that there was an error on page 5 of the report;

DRSA should have been Dartmoor Railway Association. DRSA heritage service only wished to run trains from Okehampton to Meldon as at present.

Councillor Leech requested sight of the new station plans in due course.
