555	<u>Planning Applications</u> –	
555.1	0226/18/POD Following discussion and consideration of the application for prior approval for the proposed change of use of 10 St James Street, Okehampton from Office use (Class B1(a)) to 3no dwellings (Class C3), on the proposal of Cllr Carpenter, seconded by Cllr Goffey (2 abstentions), it was RESOLVED to OBJECT to the application on the following grounds: <ul style="list-style-type: none"> • There is no provision for parking and therefore the residents would have to rely on any, already congested, street provision and car parks. • Residents of the town and surrounding area would have to travel further afield to access the services provided by the office currently housed within 	

the building.

- The building is in a secondary shopping position at the top end of the arcade, located between a shop and café. There is concern that conversion to domestic dwelling, removing it from this function, will have an economic downturn effect on the town centre, destroying the economic viability of the town.

Cllr Parkins requested a future agenda item regarding the provision of parking for residents.

It was noted that the new sign had been installed and name change had already taken place. On the proposition of Cllr Goffey, seconded by Cllr Weekes, it was **RESOLVED** to approve the application to extend the alcohol sale hours to 24 hours per day, Monday to Sunday.

Cllr Cummings left the meeting at 9pm
