

THE Trafalgar Way

Calling arty folk and photographers!

Okehampton postcard design appeal

Are you handy with a camera, or do you know someone who loves to draw and design things? We're on the lookout for people of all ages to help create a souvenir of Okehampton for a very special event coming to the town on May 18th 2019.

THE Trafalgar Way

The Victory Grand Tour Cape to Cape Classic Car Rally 2019

On May 18th between 40 to 50 classic cars will be arriving in Okehampton in the closing stages of their week-long competitive rally from Cape Trafalgar in Spain, following The Trafalgar Way in reverse for part of its route. [You can read more about this event here](#). The event is all part of one group's fundraising effort for Macmillan Cancer Support that will hopefully reach over £800,000 this year.

- Cars will arrive at a checkpoint in Simmons Park during the afternoon
- Each driver will stay for ten minutes so there will be opportunities for photographs and possibly a sit inside the vehicles for those who are interested
- There will be a Trafalgar Way stall with information and fun flags to wave to cheer the cars on their way
- Each driver will be given a souvenir of their stop in Okehampton with a message from the town ...

... and this is where we need your help! We will print the special souvenir postcards for the participants, complete with messages of thanks for their fundraising, but we need your designs to work with. We'll select up to four designs submitted to use for these postcards, and they may in future be used to help raise funds for The Trafalgar Way, too.

We also welcome your suggestions of messages to put on the reverse along with the designs themselves.
