**283**     **Devon & Somerset Fire & Rescue Service – Service Delivery Operating Model Consultation** – On the proposition of Cllr Jessop, seconded by Cllr Tucker, it was **RESOLVED** to make the following response:

**Action**

Option 7 which was a Mix and Match Option as follows:

Option 6 which would result in the following:

- Savings being made by the service; greatest capital saving, 3<sup>rd</sup> highest revenue saving
- Largest increase in prevention measures; Business and home fire safety checks
- Reduced risk rather than an increase in risk as in Option 5 where there is an increased risk of fatality in fire and RTC and an increase of waiting time for an engine

With the addition that Okehampton should retain a 2<sup>nd</sup> Engine on the grounds of special circumstances at Okehampton with attendance at RTC's on the A30, a 30mile stretch of dangerous road with Okehampton having the nearest engine

Recruitment difficulties for day crew (retained) should be taken into account when recommending night crew only for second engine

Special vehicles required to access Dartmoor both in the summer and especially the winter months

**284** **Public Phone Box Removal Consultation** – On the proposition of Cllr Goffey, seconded by Cllr Leech, it was **RESOLVED** to:

- agree to the removal of the kiosk in Crediton Road (01837 52343) as it had not been used during the last 12 months
- object to the removal of the kiosk from the junction of Station Road and Tors Road (01837 52479) on the grounds that 19 calls had been made from it in the previous 12 months, it is the first kiosk from a popular access point to/from Dartmoor and the mobile coverage in the area is poor.

**285** **West Devon Polling District and Places Review** – On the proposition of Cllr Yelland, seconded by Cllr Leech, it was **RESOLVED** to respond stating that the Charter Hall in Okehampton continued to be suitable for use as a polling station as it had adequate facilities and was located in an accessible position in the centre of Okehampton.
