

GRANT FEEDBACK FORM

Name of group/organisation/charity Okehampton & District Community Transport Group

Amount awarded £2000 Date of award 10.10.2020

Please explain below how the grant has been spent and how the award has benefited

a) your organisation or group

b) all or part of Okehampton and/or some or all of its residents

We have used the grant to enable our services to continue during the pandemic to ensure clients are still able to attend their appointments safely. We have been unable to carry out our usual fundraising events e.g. coffee mornings which usually generate a good income to help subsidise the costs of the journeys. Our Ring and Ride service is still running the same distances each week however the amount of fares/passengers has declined due to the pandemic, it is important for the health and wellbeing of our clients that they are still able to at least travel out of their homes once a week for shopping. We have not been able to run any of our lifestyle trips but want to ensure we still have the vehicle in place ready for when we can start these again. The vehicles still all need regular 13 week servicing and checks as part of our Section 19 permit which generates a lot of invoices. We are doing everything we can to ensure our services survive by applying for grants such as this so we can continue to serve our community for another 30 years!

Supporting documents such as accounts and receipts should be included. Further evidence eg photographs (in suitable format for inclusion on Okehampton Town Council website) would be appreciated.

Please note the feedback form to be completed 8 weeks after the completion of the project or, in any event, within 12 months of receipt of the grant. Future applications will only be considered if feedback for previously awarded grants has been received.
