

## Easter Trail Idea

### Town Trail

In the town we hide 10 bunnies shown above which will be painted gold. On each bunny will be the muddled-up letters of 9 famous bunnies and 1 hare. People have to un muddle the bunny names and spot the odd one out.

1. Bugs Bunny
2. Peter Rabbit
3. Easter Bunny
4. Roger Rabbit
5. Thumper
6. The White Rabbit
7. Snowball
8. Wererabbit
9. Bigwig
10. Little Nutbrown Hare

### Park Trail

In the park there will be 11 bunnies hidden about (I may need to ask James to attach them to immovable objects so they can't be "borrowed") Each bunny will have a letter on and the plan is to find all the letters and make the phrase Happy Easter from the letters.

### Prizes

Perhaps the Town Council could purchase some small chocolate bunnies as prizes
