523. Members' Questions - Councillor Vachon raised issues currently being encountered by residents of the Oaklands Residential Park. They were experiencing problems with the tenancy agreement for their properties, resulting in several residents having to sell their properties at a significant loss, this was due to the residency permits in place not tying in with the lease arrangement. It was advised that the very recent amendment to the Mobile Homes Act 2013 would help the residents' situation, the land is leased by the Okehampton and District Agricultural Association. The leaseholders now have to be licensed by West Devon Borough Council and it was agreed that the licence needs to be right for the tenants of the properties. Councillor A Leech agreed to take these concerns forward with West Devon Borough Council and to investigate further the requirements of the changes to the Mobile Homes Act.
