

Okehampton Town Council Planning Committee 4th July 2022 Meeting Report

Date:	4 th July 2022
Name:	Caroline Ellis

Advanced Notice of Roadworks

To note notification of the intent to apply for a road closure of Brandize Park on 13th October 2022, the proposed diversion route, and consider any feedback to be submitted

USL are a utility contractor working on behalf of BT Openreach. We have a telegraph pole to replace at the above location which unfortunately will require a full road closure in order to safely excavate. This is due to the width of Brandize Park, meaning once our site is set up there will be no space for even single lane traffic.

I am advised by Devon County Council that in order to submit a road closure application we should first consult parties in the public and business domain potentially affected by our closure, including the Parish Council

Therefore this notification is to advise you that we intend to submit a road closure application for October 13th 2022, for a duration of one working day.

I attach a map showing our proposed diversionary plan. These are the official diversionary schemes and should give a clear idea of the roads affected.
