

Market Street Public Toilet Consutation - December 2022

Summary of response	General View		Town Resident
	Close	Retain	
Priority should be given to Fairplace because of their position	Close		Town
Access to public toilets is vital. Pay to use?		Retain	Unknown
Market St toilets mainly beneficial to small number of users - taxi/bus drivers. Cost should be covered by WDBC, if they wont take them back should be closed and site repurposed. Cost of living crisis should be borne in mind when setting precept which should be reduced. Cut other costs and consider pay to use.	Close		Town
Objection to their closure (taxi user)		Retain	Town
Should close - supermarkets and coffee shops have toilets	Close		Unknown
Toilets should stay. Concern for taxi drivers (appears this person believes incorrectly that the council is also looking to close Fairplace toilets)		Retain	Unknown
Don't see the point of keeping either sets of toilets as there are toilets in the sports centre and Waitrose.	Close		Town
In view of escalating costs and renovation works, support their closure	Close		Town
Bad idea to close them. Essential for older people and those who suffer bladder and bowel issues, and children		Retain	OHPC
