GRANT FEEDBACK FORM

Name of the group/organisation/charity Okehampton Fairtrade Group.....

Amount awarded £... 140..... Date of award 17th Jan.....

Completion date of the event/activity 5th March 2023.....

Please explain how the grant has been spent and how the award has benefited:

- a) Your group/organisation/charity
- b) Residents within the Okehampton town boundary

The Okehampton Fairtrade Group were grateful to be able to organise an event to celebrate Fairtrade Fortnight. The grant made it possible for the group to invite Fairtrade Rwandan Coffee Producers to attend both a service at Fairplace and the Community lunch that followed in the Ockment Centre. Hearing from a Farmer who benefits from Fairtrade at a time when coffee farmers are facing many challenges due to climate change is very powerful and can help all those attending to appreciate the difference Fairtrade certification can make.

The events were open to all residents it is hoped that those attending were able to appreciate more of the Fairtrade scheme and become supporters by buying Fairtrade goods when available. It was interesting for all attending to learn that the Rwandan coffee producers we met were exporting their coffee beans to Owens Coffee Roasters in Ivybridge. Quite a local connection.
