Waiting List

The primary waiting list is for people that live within the Okehampton Town Council boundary and who do not already rent an allotment plot from the Council. This system operates on a first come first serve basis and takes priority over the secondary waiting list.

The secondary waiting list is for tenants that already rent an allotment from the Town Council and would like an additional plot. This list also operates on a first come first serve basis but will only be considered if there is no one on the primary waiting list who wishes to accept the plot.
